

5 THINGS TO DO BEFORE YOU SELL

1. **Get estimates from a reliable repairperson on items that need to be replaced soon**, such as a roof or worn carpeting, for example. In this way, buyers will have a better sense of how much these needed repairs will affect their costs.
2. **Have a termite inspection to prove to buyers that the property is not infested.**
3. **Get a pre-sale home inspection** so you'll be able to make repairs before buyers become concerned and cancel a contract.
4. **Gather together warranties and guarantees** on the furnace, appliances, and other items that will remain with the house.
5. **Fill out a disclosure form provided by your sales associate.** Take the time to be sure that you don't forget problems, however minor, that might create liability for you after the sale.
